SUMMARY

Aspiring Data Analyst with practical experience in Python, SQL, Excel, and Power BI for data analysis and visualization. Experienced in data cleaning, exploratory data analysis (EDA), and developing dashboards to track business KPIs. Strong analytical mindset with a passion for turning data into meaningful insights for data-driven decision making.

EXPERIENCE

Data Analytics Intern

Feb. 2026 – April 2026

ApexPlanet Software Pvt Ltd.

Virtually

- Performed data cleaning, analysis, and visualization using Excel and Power BI.
- Analyzed datasets to identify patterns, trends, and actionable insights.
- Built analytical dashboards and reports to support data-driven decisions.
- Strengthened analytical thinking and problem-solving using real datasets.

Power BI Intern

Feb. 2026 – March 2026

Edunet Foundation - AICTE (Microsoft Elevate Program)

Virtually

- Built interactive dashboards and reports using Microsoft Power BI.
- Performed data transformation and modeling using Power Query and DAX.
- Analyzed datasets to track KPIs and business performance metrics.
- Applied data visualization best practices for effective insight communication.
- Worked on industry-based analytics projects under mentorship.

AI/ML Intern

Dec. 2024 – Jan. 2026

Edunet Foundation - AICTE (IBM SkillsBuild Program)

Virtually

- Developed an end-to-end machine learning project using Python.
- Performed data preprocessing, model training, and evaluation.
- Applied machine learning algorithms to solve real-world problems.
- Improved analytical thinking and problem-solving skills through project work.
- Presented project results with insights and model performance evaluation.

Full Stack Web Development Intern

Aug. 2025 – Feb. 2026

Labmentix

Virtually

- Developed web applications using HTML, CSS, JavaScript, and React.
- Built backend services using Node.js, Express.js, and Python/Django.
- Managed databases using MySQL and MongoDB.
- Implemented scalable and responsive web application features.
- Collaborated with team members in a full stack development environment.

AWS Intern

Dec. 2024 – Jan. 2025

ProAzure Software Solutions Pvt. Ltd

Indapur, Pune

- Gained practical experience in AWS cloud computing and infrastructure services.
- Worked with AWS EC2, S3, RDS, IAM, and Lambda services.
- Learned cloud deployment and scalable architecture concepts.
- Assisted in designing and managing cloud-based infrastructure.

DATA ANALYTICS PROJECTS

MakeMyTrip Travel Analytics Dashboard using Power BI

- Built Power BI dashboard analyzing travel bookings and revenue trends
- Created KPI cards for total bookings, revenue, and average booking value
- Identified top destinations and seasonal travel patterns

[GitHub](#) | [View Project](#)

Myntra Sales Dashboard using MS Excel

- Built an interactive sales dashboard in Excel to analyze Myntra sales data.
- Used Pivot Tables, charts, and Excel functions for data analysis.

[GitHub](#) | [View Project](#)

JioHotstar Data Analysis using Python, Pandas, Matplotlib

- Performed exploratory data analysis on streaming platform data using Python and Pandas.
- Cleaned and transformed user viewing data to identify content trends and user behavior.
- Built visualizations using Matplotlib to analyze genre popularity, device usage, and subscription distribution.
- Extracted actionable insights to understand viewer engagement patterns.

EDUCATION

S.B. Patil College of Engineering Indapur, Pune

Bachelor of Engineering in Computer Engineering

Aug. 2022 – Present
Pune, Maharashtra

- **Coursework:** Data Structures, Algorithms, Databases, Computer Systems, Machine Learning
- **SGPA:** 7.70 (7th Sem)

TECHNICAL SKILLS

Data & Analytics: Power BI, Excel, Tableau, SQL

Programming: Python, JavaScript (React.js), HTML/CSS

Databases: PostgreSQL, MySQL, MongoDB

Tools: Git, GitHub, VS Code

Soft Skills: Problem Solving, Quick Learner, Team Collaboration, Communication

CERTIFICATIONS

Microsoft Elevate Program Power BI

Edunet Foundation & AICTE

2026

Artificial Intelligence & Machine Learning Course

Edunet Foundation & AICTE

2026

Artificial Intelligence & Machine Learning Internship

IBM SkillsBuild Edunet Foundation

2025

AWS Cloud Internship

ProAzure Software Solutions Pvt Ltd

2025
